Mr. Don E. Seibel,
c/o Siekert & Baum Stat'y Co.,
381 East Water St.,
Milwaukee, Wis.

We have your letter of the 3rd, notifying us of the resumption of meetings of the Milwaukee Radio Amateurs' Club, Inc., which are to be held heretofore on Thursday evenings.

Thursday evening is still reserved for your meetings and it will be arranged to have the room open each Thursday evening during October in time for the meeting to commence at 7:30. After November 1st, the Museum is regularly open to the public until 9 o'clock, so that there will always be guards on hand to open the room at the proper time during the winter season and until the end of April.

It is hoped that the coming season will be a very successful one for the Club and that you will succeed in arranging attractive programs for your membership.

MILWAUKEE PUBLIC MUSEUM.
